

Gospel Light Sunday School Overview

Why Sunday School? We want more...

Nearly 85 percent of people who make a decision for Christ do so between the ages of 4 and 14. Our greatest opportunity to lead a person to Jesus happens during the elementary years. Which means the Sunday School is the most powerful tool the Church has to impact the life of a person for all of eternity.

How would you answer this question: “What is the purpose of Sunday School?” Many people would say, “To teach the Bible.” While helping kids *know* the Bible is important, it’s just as important to help them *live it out* in their daily experience. Sunday School should not only get your kids into the Bible, it should get the Bible into your kids, transforming their hearts and lives.

Gospel Light Sunday School will help your kids grow closer to Jesus and discover how to love their world as Jesus did. **Changing the world begins one child at a time—in Sunday School.**
