

Hands-On Bible Curriculum®

Sunday School Curriculum

Hands-On Bible Curriculum uses unique games, snacks and crafts to help kids learn about God, because kids retain more by interacting with a lesson instead of just hearing it. Jesus used everyday things to teach important truths - and now you can too! Discovering the Bible will be a fun, hands-on experience that gets kids excited about coming to Sunday school.

Easy, effective teaching

The resourceful, age-appropriate Teacher Guides walk your leaders through every step of the lesson, making preparation a breeze and taking pressure off your volunteers.

Simple preparation

With the cool, colorful Hands-On Bible Curriculum Learning Lab®, your volunteers never have to shop for crafts and resources. Exciting, kid-friendly teaching tools are already at their fingertips!

Engaging Bible discovery

Each lesson contains one Bible Point based on a specific Bible verse. Unlike typical Sunday school lessons, they'll fire up kids' imaginations and have them discovering God's love in incredible, tangible ways!
