Don't just teach about the Bible in your children's church, change lives through worship that touches minds and hearts in amazing ways! Thanks to KidsOwn Worship®, preschool and elementary children experience worship through memorable songs and impactful Bible learning. It's flexible, easy-to plan and – most importantly – effective in helping kids grow a personal relationship with Jesus.

KidsOwn Worship® is Flexible

Five Kids? Five Hundred? Your KidsOwn Worship® quarterly kit fits your kids' church program no matter how many preschool and elementary kids show up! This Kit includes everything you need for a Children's Church program that teaches incredible lessons about Jesus' life, death and resurrection in refreshing ways.

KidsOwn Worship® is Easy

Your leaders will feel like pros thanks to the in-depth Children's Church Leader Guide. Kid-cool crafts and activities are all in the box and incredible music is waiting for you on DVD and CD. This means all of the details of your program are taken care of, allowing you to focus on changing hearts through powerful worship time.

KidsOwn Worship® Helps Kids Grow Their Faith

While KidsOwn Worship® can be used in conjunction with any Sunday School curriculum, it is one piece of the FaithWeaver® family of resources. Use KidsOwn Worship® in conjunction with FaithWeaver Sunday School and FaithWeaver Friends® mid-week program and watch as families learn about the same important Bible Points together – allowing them to grow in faith as a family.

In each KidsOwn Worship Children's Church Kit, you get...
